Addis Ababa

Dear Sir/Madam,

I am writing to express my strong interest in the position, as advertised on different social media. I am excited about the opportunity to contribute my skills and knowledge to your esteemed organization, which is renowned for its commitment to excellence and innovation in the industry sector.

As a recent graduate from Arba minch University with a Bachelor's degree in **Computer Science** with scoring high grade and passing National Exit Exam. I believe I have the knowledge, skills, and passion to contribute to your esteemed. I am equipped with a comprehensive foundation in IT principles, programming languages, database management, systems analysis and networking.

I am confident that my strong academic background, coupled with my enthusiasm for technology and dedication to continuous learning, make me a strong candidate for this position. I am excited about the prospect of contributing to Company ongoing success and growth, and I am eager to learn from the talented team of professionals you have assembled.

Thank you for considering my application. I am eager to discuss how my skills and qualifications can benefit. I have attached my CV for your review, which provides more details about my academic and professional experiences.

With best regards,

Sultan Wario Dube
